

## Spatial Orientation and Illusions

Spatial disorientation remains a cause of fatal accidents despite rapid progress in the development of electronic flight displays. This seminar will address this topic with a discussion of spatial orientation and various illusions. Coffee and donuts provided.

**Directions:** Exclusive Aviation Flight School is located on the southwest corner of KSTP.

Travel to the end of Eaton Street, past the airport control tower, Signature Flight Service, and other businesses and hangars until the road ahead is blocked by a gate. You will see a banner to the right of the gate with our name (Exclusive Aviation) on it. Go through the gate it will be opened, then take your first left. Our hangar is on the left, #607. Park behind the hangar or in the grass field adjacent to our facility.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
